## Join Kinsmen & Kinette Clubs of Canada...

### Help your community

Kinsmen, Kinette and Kin clubs are the country's largest all Canadian service groups, made up of active community volunteers. Members work together to serve the community's greatest need by promoting service, fellowship, family values and national pride. We support local projects, like playgrounds, soccer complexes, ball fields, and ice rinks, across the country. So, if you'd like to give something back to your community, our clubs are the perfect answer.

### Have a whole lot of fun

Although Kinsmen dates back more than 90 years, there's nothing old-fashioned about our meetings. They're lively, interesting and fun. Fundraising events get you into the community and are always rewarding and entertaining. So join our club today, and brighten the horizon - for yourself and your community.

### Make life-long friendships

Kinsmen, Kinette and Kin club members come from all walks of life, so you'll enjoy being part of a youthful and spirited group. Like most of our members, you'll make lifetime friendships that extend far beyond the club itself.

### Develop personally

It's very satisfying to be a member of our club. You'll be proud of the work you do for others and pleased with the personal benefits that result. You may become a better leader, or more of a team player. You'll find yourself more relaxed in dealing with groups; your presentation skills will improve and you'll become a better public speaker. Plus you'll have a chance to network with people from a wide variety of businesses.

### Help a Cystic Fibrosis Child

More than 700 Kinsmen, Kinette and Kin Clubs across Canada support CF research and fund other local projects. Since 1964, Kinsmen and Kinettes have devoted their efforts to an incredible assortment of events ranging from daisy days to road tolls and BBQs — all to help fight cystic fibrosis.
